**PUPIL DEPRIVATION GRANT / PUPIL DEVELOPMENT GRANT**

The Pupil Deprivation Grant is used by the school to employ support staff to help promote the Literacy and Numeracy skills of specific pupils.
We aim to ensure that individuals take full advantage of the educational and social experiences available at the school.

Ysgol Gynradd Llechryd PDG Statement:
The Pupil Deprivation Grant (PDG) is allocated to schools with pupils who come from low-income families and are currently known to be eligible for free school meals (FSM) and pupils who have been looked after continuously for more than six months (LAC).
Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC.

As a school we have agreed the following three steps:

- to identify the target group of pupils, its characteristics and need;
- to plan interventions which make the most effective use of resources;
- to monitor and evaluate the impact of resources.

In 2017 YSGOL GYNRADD LLECHRYD was provided with a PDG allocation of £13,850.
At Ysgol Gynradd Llechryd we have a comprehensive plan, agreed and monitored to promote progress and remove barriers to learning for students eligible for this funding.

We have used the funding available to:

- enhance teaching and learning by providing programmes of support within lessons and specific focus groups;
- provide intervention and support programmes that are proven to have the greatest impact
- and to be sustainable, such as Mathematics, Trandep, Satpin, Reading and SULP;
- provide specific high quality training for school staff, including literacy and numeracy training;
- implement and use data tracking systems to identify learners' needs, target interventions and monitor impact;
- work in partnership with other schools, the community and other organisations, such as the University of Wales, Trinity St. David;
- develop leadership capacity to prioritise the impact on the quality of provision and outcomes;
- support learners and their families by organising literacy and numeracy workshops;

Our detailed plan which includes details in respect to how we're spending the grant is available from the school office. The Welsh Government plan to change the name of this grant to ' Pupil Development Grant' from 2017 onwards.
